Overview:

Follow the fantastic adventure of Belle, a bright and beautiful young woman who finds escape from her ordinary life. When Belle's inventor father stumbles upon the Beast's castle and is taken prisoner, Belle comes to the rescue and agrees to take her father's place. She sees beneath the Beast's exterior and discovers the heart and soul of a human prince. Delicate cutaways and holes to peep through are layered on top of each other to create a magical filigree effect, drawing children in to the story.
